*Thank you for registering your child in the St. John XXIII Religious Education Program.
We look forward to a year of blessings as we share our Faith together!*

We have an “open door” policy, parents are welcome to attend with their child or stop in for a visit any time.

Please note that registering your child for Religious Education Classes does not automatically register your family in the Parish. **To be a registered member of St. Agnes or St. Matthias, a Parish Registration Form needs to be filled out.** Once the Parish Registration Form is filled out and returned to the office you will be a registered member of our faith community and placed on our mailing list to receive parish mailings such as the Christmas letter and other important mailings. Your registration also provides us with necessary information required for paperwork for becoming a sponsor or godparent. Please take a moment and help us to assist you.

I give permission for photos to be taken of my child during religious education activities and to be placed on our church bulletin board and parish website: ☐ Yes ☐ No
